

# Company Summary

Established in 1975, Lanter Transport, Inc. was a truckload division of Lanter Company. In October 2005, Nicholas Civello acquired Lanter Transport and changed the operating name to LTI Trucking Services, Inc. LTI Trucking Services is now a truckload carrier and full service logistics company based in the Midwest, providing transportation services nationwide.

## **Mission Statement:**

As an asset based carrier and a third party logistics provider, our goal is to provide our customers with a quality and reliable partnership. LTI associates are experienced in transportation and committed to customer satisfaction. As your transportation specialist, we will assure you superior transportation services along with absolute satisfaction.
