

Talking about your health plan with providers

When you start using your benefits, your provider may not be familiar with Gravie yet – and that’s okay! Here are some tips for talking about your new health plan and navigating your ID card.

Who is Gravie?

We process and pay your medical claims. Gravie Administrative Services LLC is a licensed Third Party Administrator (TPA) that manages self-funded health plans for employers across the U.S.

The Network

To ensure access to care wherever you may be, we lease **Aetna’s Signature Administrator Network**. This is one of the nation’s top-ranking Preferred Provider Organizations (PPO), and the primary network for your health plan.

If your provider accepts Aetna’s Signature Administrator network, then you can go ahead and use your Gravie benefits!

As the subscriber (employee), your name and unique 9-digit member ID number appear first, ending in 00. Any enrolled dependents appear below.
